Jane Obshatkin, Vice Principal

Jane Obshatkin has worked in public education for over 35 years. Her last 14 years in administraton was spent at Methuen High School. Jane began her career as a Special Education teacher in Natick, MA and has worked diligently in her role as vice principal in Methuen. Her many accomplishments include pioneering the Alpha Alternative Education Program, developing the Northern Essex Community College Math Program, and recently, becoming the Supervisor of Career and Technical Education. She has always supported the GCP, PAVE, and SPIN programs. She is best known for patrolling the major halls and seeing to it that all students get to class. Her clicking heels will be sadly missed by staff and students alike.

Richard Brain, Guidance

Richard Brain has been a member of the Methuen Guidance Department for many years. First starting out as a vocational counselor, and then moving on to a traditional guidance counselor role, Richard was a fixture in the guidance office. In his time as a guidance counselor, Richard taught several sections of the Colleges and Careers class. There he helped hundreds of seniors reach their goal of attending college after high school. Richard is best known for his wonderful sense of humor, unmistakable smile, and his good nature.

Sally Frongillo, Program Assistant

Sally Frongillo has worked for Methuen Public Schools for over 25 years. She has worked both at the primary and secondary levels. Sally spent the last 10 years of her career at Methuen High School. Most of her time was spent in the the Guidance Department as the assistant who administered the DISCOVER College and Career Assessment. While doing this, Sally developed countless relationships with staff and students. She is best known for her cheery disposition, her willingness to help all, and her kind spirit.

Dedications

Anita DiCroce, Office Secretary

Anita DiCroce is retiring after 21 years with the Methuen School Department. She has been the secretary at the Central School, Oakland School, Special Education Department, and one of the secretaries at the High School.
She will miss working with the students and the many friends she has made throughout the system. She especially enjoyed the staff at the High School and will miss all of them. She looks forward to doing a little traveling, camping, and spending more time with her family. Anita is one of our quiet, strong supporters, and we will miss her. Thank you, Anita, for always being there for the yearbook staff!

Peter Salemi, Science

Mr. Peter Salemi started teaching Health and Biology at Methuen High School back in 1972 at the old Tenney High School. Now he is best known for teaching Chemistry and being the Teacher of the Year. Originally, Mr. Salemi wanted to be a barber, but he ended up tutoring in college and fell in love with teaching and helping people. One thing he loves about this job is it is never the same. "There are always new students, new people and new problems to be solved." For thirty eight years, students at Methuen High School have been blessed with his sincerity and academic dedication. He will be greatly missed. In retirement, Mr. Salemi is looking forward to spending more time with his family, traveling, and learning to play the piano.

Fran Molesso, Physical Education

Fran Molesso, commonly known as Mr. Mo worked for Methuen Public Schools for 35 years - 7 years at the Tenny, 4 at the CGS and the balance 24 here at MHS. He also coached and taught at MIT during the nights. He loved working with the students and was always enthusiastic about helping the students succeed. Fran has been a longtime, dedicated member of the high school faculty. He is also the consummate teacher/coach who is highly respected by his physical education students as well as his football, track and gymnastics athletes. He can always be counted on to go the extra mile for his students. Both staff and student body will remember Mr. Mo as the positive role model.

Remembering Mr. Dionne

Gary Dionne worked for Methuen Public Schools for over fifteen years. He worked both as a special needs teacher and an adjustment counselor. Over the years, Gary developed countless relationships with so many students. He was actively involved in self-help programs, an activist for non-violence programs and assisted in developing conflict resolution and peer mediation programs. His expertise in these areas allowed him to institute programs not only for Methuen, but all across the region. In addition, Gary worked countless hours at the Psychological Center helping people to find their way to a positive and fulfilling life. Gary was an inspiration to those students who often felt isolated. He is missed by all of those who came to know his special generosity.

A Tribute to Gary Dionne

Listening is a magnetic and strange thing, a creative force... When we are listened to, it creates us, makes us unfold and expand. Ideas actually begin to grow within us and come to life... When we listen to people there is an alternating current, and this recharges us so that we never get tired of each other...
And it is this little creative fountain inside us that begins to spring and cast up new thoughts and unexpected laughter and wisdom... Well, it is when people listen to us, with quiet fascinated attention, that the little fountain begins to work again, to accelerate in the most surprising way.
~Brenda Ueland

Gary had a way that made you feel honored and valued simply by listening. He could challenge but not judge. He could make you think about your position but not feel threatened that you might need to change your mind. He taught so many so much simply by listening. Often by the time you were done talking to Gary, you gained new insight into your situation and your character and he barley had to say a word. Then there were, of course, times when one needed to listen to Gary. He had a wisdom and a presence that made one want to listen, even when you were sure you didn't. Thanks for listening Gary, rest in peace!

Seniors Class of 2010

Dear Seniors,
It has been my privilege to be your assistant principal for the past four years. I could not have asked for a better group of young people who worked hard and sacrificed some of their liberties to bring back school pride and integrity. I will miss you and remember "Do the difficult right over the easy wrong" If you do this, good people will respect and love you for your integrity.
Sincerely,
Mr. Downs

The National Honor Society is an elite group of students who must excel in 4 areas- Scholarship, Leadership, Service, and Character. They must have a GPA of 3.5 to be considered, and then must perform various community and school services to be inducted. After they become members, they must maintain excellence in the 4 aforementioned areas. We have participated in the Methuen Santa Parade, many students do tutoring for other students after school, 8th grade tours, church services, homeless shelters, and nursing home services, and a spaghetti dinner fundraiser.

Yearbook

The Methuen High School Yearbook is open to students in all grades. Editors and staff members are responsible for the design, creation, marketing, and sales of the Yearbook. Planning begins in the Spring, and the editors attend a summer training workshop to design the cover and learn the many aspects of creating the book. The entire yearbook is created online, and all grades are covered. It is distributed to Seniors at the Senior Breakfast in May, and the rest of the school the next day. Many sucessful people have served as yearbook editors over the years, including Mr. Nick, who served as Editor-in-Chief of the MHS Yearbook when he was a senior.

Independent Theatre Club

The Independent Theatre Club was started in the fall of 2007 by a small group of dedicated thespians who wanted another outlet for their creative talents. We meet every Friday and every other Monday after school from 2:00 - 4:00. As the title suggests, the students really steer the club: they choose a play, hold auditions for roles, direct themselves, do the make-up, gather or make their own costumes, sets and props (with a little help from some talented parents), and design the program. Last year we entered a statewide High School Drama festival and spent a whole Saturday performing our one-act play, watching other high schools do their plays, and making new friends from all over Massachusetts. We do not do musicals, elaborate productions or well-known plays.

Faculty Advisor: Adrienne Bonaccorsi

Multicultural Club

The Multicultural Club "Voices of the Cultures" is a grassroots movement that was founded by the Class of 2007, they felt the need to develop a peer support system and guidance services for students that are new to the country, come from a different culture, and/or are new to Methuen High School. This group encourages and promotes individual self-awareness and growth by learning more about their own culture and heritage. At the same time, students also learn to embrace other cultures other than their own. The group strives to improve the student/staff relationships to create a better understanding of multicultural awareness; thus creating an environment that celebrates the diversity that is represented at Methuen High School. The goal of this group is to provide students and staff with the means and support to share information, build a more collaborative effort and initiative, creating and achieving a more positive culture and spirit at Methuen High School.

Ultimate Frisbee. A game, a myth, a legend, a legacy. Every chance we get on the field is not just a game, but an opportunity. An opportunity for greatness. We are the ones called upon to bring this magnificent sport to our city.

When we are standing on that field, we are not the new kids on the block. On that very field we are not seniors. We are not juniors, sophmores, or freshmen. We are not students or teachers. We are not Whites, Blacks, Hispanics, or Asians. We are Frisbee players. Not only are we Frisbee players, we are friends. We are brothers, sisters, and cousins. We are family. We are the few, the proud, and by the end of our game, you *will* remember the name.....Ultimate Frisbee.

Photography Club

Open to all students who can contribute to the discussion and bring in photos to talk about. You do not have to own a camera but you should have means to take your own photos that you can bring to the club for discussion. Students do not have access to school cameras. They do have access to a computer to show digital photos on a disk and if they elect to show their photos this way, they should be able to use a computer to bring up their work. This club does not use the darkroom and you do not need to have taken a photography class.

This is a low key, student run club, teacher monitored. The purpose of this club is to learn how to take better photos, enjoy a friendly social interaction with students that like to take photos, and have a common interest.

A Word of Thanks ...

Wow, this is my fifth yearbook! Where did the years go – time truly flies when you are having fun! I love working with staff and students to complete each yearbook, and I would like to thank everyone for their support over the years.

This has been one rocky year, but thank goodness we made it through. The yearbook staff could not have done it without the support of our administration, faculty, staff, and the entire student body.

Karen Hallbauer, for keeping on her shoes and stepping into mine when I had to take a three-week family emergency leave, and as always for her continuous support. Jim Giuca, for his assistance this year and congratulations on his first year with us. Mr. Nick, for still reaching out to us and helping in whatever way he could. Our clubs/organizations advisors, for cooperating with us, and encouraging their members to be a part of our lasting memories. The media center crew – Maria Mastrocola, Margaret Moynihan, Paula Cross and Dave Shaheen, for allowing us to invade their space, giving us their daily support and patience, and putting up with us. It is amazing how Joy Santoro can multi task with all she does and still finds time to assist us. Ellie Sicard, Anita DiCroce and Sandy Gilbert for dotting our i's and crossing our t's. Jason LaPointe, for committing himself to purchasing a yearbook year after year. David Takesian (Tarky) for dedicating himself to getting every piece of our packages to us. Mary Haight, Maria McLaughlin, Kevin Geary, Arthur Nicholson and Ellie Sicard for contribution to our 2010 dedication pages. Lincoln Technical Institute, for advertising with us. Our retirees for their many years of service!

To my wonderful staff, thank you for all your hard work and patience with me. I have had the opportunity to work with my editor-in-chief, Rachel Winward over the last four years. Though still a little shy, I have watched her growing out of her shell and finding her own place. She had a million other things to do but yet, with her usual smile, decided to add us to her mix. My senior editors Greg McHale, who grabbed the bull by the horns, and Leah Wunderlich who worked wherever I put her. My junior editors, Jackie and Jessie Flynn, Jake Peters and Sarah Croughwell, who really held the helm this year. Again, thanks to my entire staff for keeping this ball rolling. Congratulations to our yearbook seniors - Rachel Winward, Leah Wunderlich, Greg McHale, Katie Fillipon, Vanessa Rossello, and Darya Lilie - keep on working hard, be all you can be, and I wish you all the best!

Congratulations class of 2010 - I wish you all a bright future!
